Who we are

- ❑ EDEN Consultants is a personal and Professional development consultancy firm duly registered with the Registrar of companies in Kenya.
- ❑ EDEN provides personal and cooperate professional capacity building services, team building/team bonding, staff capacity building and development programmes that are aimed at empowering the twenty first century employees, individuals and families to face work and life related challenges and acquire effective life skills.
- ❑ EDEN is also a centre for personal and professional growth that offers services to organizations, institutions and schools.

Our Vision

- ❑ To promote psychological health by providing quality behaviour change programmes, training, counseling, consultancy and wellness to organizations and mankind.

Our Mission

- ❑ To provide quality services through:
- ❑ Credible training.
- ❑ Empowering human race.
- ❑ Sensitizing individuals on all life aspects.
- ❑ Adherence to ethical practice.

Our Core Values

- ❑ Transparency
- ❑ Competence
- ❑ Integrity
- ❑ Accountability

Our Services

Employee Assistance Program

- ❑ We introduce you to our **Employee Assistance Programs (EAP)**. Worldwide, many companies have realized that employee personal and work-related problems can and do adversely impact organizational productivity as well as mar corporate image.
- ❑ Strengthening employees' ability to cope with problems as well as enriching individual lives and work relationships is not just the mandate of every employer but also an indirect critical investment for the company.

Why is Eden a unique organization in offering these service?

- ❑ Our team of trainers, coaches, counselors, psychologists and leadership consultants, have diverse backgrounds, expertise and track record.
- ❑ Through meetings with the HR department and supervisors, we begin contact by assessing the felt needs of each organization and then address the same.
- ❑ Our service reflects organizational needs, offering a unique understanding of the work place, personal, relational, organizational and community issues.
- ❑ We offer assessment, counseling, psychotherapy, and referral service as per individual employee needs.
- ❑ We have great references from organizations where we have served in the past. Please, feel free to request for the same.
